

## STEP INTO THE LIGHT

Here are the lyrics for a male vocal.

### [VERSE 1]

The weight's not leaving — it grows  
with time  
And silence shouts louder than any  
sign  
Do you act from fear, or love?  
But you won't see it 'til you step into  
the light

### [PRECHORUS]

So —  
What holds you back?  
What pulls you through?  
Is it fear, or is it you?

### [CHORUS]

Fear or love — what do you choose?  
Hesitate, and you will lose  
One takes power, one sets you free  
Fear or love — who will you be?

### [VERSE 2]

I keep asking if I'm enough  
If kindness counts, or if it's just bluff  
If strength is scars or standing tall  
What if I try... and still lose it all?

### [PRECHORUS]

So —  
What holds me back?  
What pulls me through?  
Is it fear, or is it you?

### [CHORUS]

Fear or love — what do you choose?  
Hesitate, and you will lose  
One is silence, one is voice  
Fear or love — it's still your choice

### [BRIDGE]

Why do we wait for someone else to  
lead?  
Why do we fight for what we don't  
believe?  
Why do we fear what's yet to  
manifest?  
Why do we lock our own cage and  
toss the key?

### [FINAL CHORUS]

Fear or love — what do you choose?  
You've got one life — what will you  
use?  
You write the end, you make the  
move  
Fear or love...  
What do you choose?

### [POST-CHORUS HOOK]

Step into the light — step into the  
light!  
No more shadows, no more fright  
Step into the light — step into the  
light!  
Let the truth ignite your life!

Step into the light!  
Step into the light!  
Step into the light!
